

case #:

February 2/2022
Freedom Convoy 2022.
Scribe: L. St-Arnaud.

0630 call from Comms (tietenQuee) to advise no one signed up for the OT (0700-1500) but numbers are good to support pulling from the floor to cover it. Advising that numbers between 1700-2000 hrs are -2 and flush after that - will most likely not be able to man the channel.

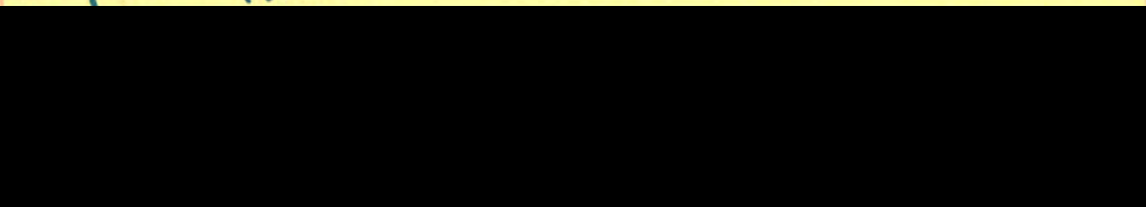

0733

PPS notified - info from SMGR1 (tietenQuee) I/C advising first CORT team to sign on will go assess and advise.

0740 Briefing done - dayshift heading out to posts now.

0743

0755 Discussion I/C and S/Sgt Hull in regards to traffic section (enforcement) to get a snap shot of situation. Get by-law to help enforce with

19888

parking tickets/unnecessary noise. Also enforce moving violations if needed. Not where the large clusters are but start further out on perimeter and work way in.

0800

[REDACTED]

0833

traffic Supervisors brought up concerns w new mandate - might become flash points / inflame situation wher truckers will could refuse to ID themselves and when turns out lends up in arrests. Traffic unit will assess and advise IIC who will in turn push their concern up the chain of command.
